FROM:	Tom Dougherty, Project Planner	Item No.:	9.c

RE: Revocation Consideration of Special Use Permit S87-0055-R/Sundance RV, Boat and Mini-Storage; Site Visit Photos Applicant-submitted Letters and Keeler Letters; APN: 327-070-12

On October 24, 2013, the Planning Commission continued this item to the December 12, 2013 hearing. Subsequent to that hearing, the property owner invited Senior Code Enforcement Officer Jim Wassner and I to come to the site to show us the current conditions. On October 31, 2013, we walked around the site and took photos (Attachment 1).

During that site visit, the parcel owner submitted letters from the public to us concerning the subject application. Those letters are included as Attachment 2.

Additionally, the letters and photos received from Mr. Bert Keeler regarding the alleged violation of the terms of S87-0055-R are included as Attachment 3. Colored versions of these documents are available at http://www.edcgov.us/Government/Planning/Planning_Commission_Current_Agenda.aspx.
