(PLACERVILLE, CA) – El Dorado County’s Department of Transportation will be performing road and bridge work on Sly Park Road at the intersection of Clear Creek Road in Pleasant Valley. The work will begin the week of July 16th and continue through September 2019. The construction work will require occasional lane closures during which motorists should expect delays.

The closures are necessary to ensure motorist and worker safety while the County’s contractor begins construction on a new bridge over Clear Creek and the adjoining roadway.

Motorists are advised to slow down through the work zone and expect delays during reversing traffic control. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of these closures.

For questions regarding this construction, please contact the County’s Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
