I. GENERAL POLICY:

Pursuant to Board of Supervisors Policy B-1, "Budget Control and Responsibility," it is the primary responsibility of Department Heads to maintain their departments' expenditure levels within the Board-approved budget. In accordance with this responsibility, Department Heads shall have broad discretion and authority related to travel activities and expenses for their departmental employees, volunteers, contractors, and consultants subject to the provisions of this policy. The Department Head is responsible for ensuring all travel reimbursement requests comply with this policy.

3. County officers or employees traveling in the performance of their duties shall be reimbursed for their actual expenses and shall be reimbursed within maximum rate limits established by the Board of Supervisors.
4. Contractors and consultants may be reimbursed in accordance with this policy when such reimbursement is authorized pursuant to an agreement for services.

1. Transportation expenses are the direct costs related to movement of the traveler from the authorized point of departure to the destination of travel and back to the authorized point of return. Transportation expenses may also include mileage from approved lodging to event and back.
2. All transportation expenses incurred shall be based upon the most efficient, direct, and economical mode of transportation available as determined and authorized by the Department Head or designee and taking into consideration the purpose of the travel.

B. Vehicle Transportation

Vehicle use (both County-owned and private) by authorized travelers during official County business is subject to Board of Supervisors Policy D-4: County Vehicle Use-Privately Owned and County Owned Vehicles.

1. Private Vehicle

The use of private vehicles is discouraged. The use of a County fleet vehicle is preferred; however, reimbursement for use of a private vehicle, when such use has been authorized by the Department Head or designee, may be reimbursed subject to the following:

- (a) Travel by private vehicle will be reimbursed at the IRS rate for business use of a personal vehicle in effect in the County at the time of travel. This mileage reimbursement rate shall be considered to be full reimbursement for all costs in use of the private vehicle, except for reasonable costs for snow chain installation and removal.
- (b) If air travel would be less costly but the County Traveler prefers to drive, the County will reimburse the traveler for transportation costs equal to what the cost of air travel would have been, including airfare, shuttle, car rental, mileage to the airport, and other costs determined to be reasonable by the Department Head or designee. Transportation costs over and above that amount, as well as any extra days of lodging, meals and incidentals incurred as a result of the decision to drive will be considered a personal (not reimbursable) cost of the traveler.
- (c) Authorized travelers may not claim mileage for business use of a private vehicle when the traveler is riding with someone who will be claiming reimbursement for the vehicle's use from the County or another source.

the County is required to spend all or part of the workday on the other slope, the employee is allowed to claim meal reimbursement subject to the provisions of section IV.A.2 of this policy.

2. Reimbursement for meals shall be made only when travel extends for a minimum of six (6) hours during the normal working day. The table below is a guide for Departments to assist in allowing meal per diem.

Lunch	11:00 am	12:00 pm
Dinner	5:00 pm	6:00 pm

For purposes of determining eligibility for reimbursement, travel shall be considered to begin when the Traveler departs their residence if the trip begins before or after normal office hours. If the trip begins during normal office hours, travel shall be considered to begin when the Traveler departs his/her office. Reimbursement must include the travel or airfare itinerary required to substantiate two hour time before departure time and arrival time.

3. Reimbursement rates for individual meals shall be at the individual meal rate for that individual meal as established by the GSA.
4. meals authorized by the Department Head or designee. For purposes of this section, continental breakfast and breakfast included in lodging rates and meals provided during airline or other commercial carrier travel do not constitute provided meals and shall not be deducted from the per diem allowance.

7. A traveler may not claim reimbursement for a meal that was paid for by someone else. As required by California Government Code 53232.2 Board of Supervisors members must provide receipts for all meals and will be reimbursed at the appropriate per diem amount or the actual expense, whichever is less.

- A. Travelers are eligible to claim reimbursement for lodging upon approval of the Department Head or designee. Lodging expenses shall be claimed at either the actual cost of the lodging (limited to single occupancy rate for a single room) or the County's maximum lodging rate (Federal Per Diem Rate established by GSA), whichever is less. Taxes and resort fees are in addition to the Federal Per Diem Rate. Lodging costs may exceed the County's maximum lodging rate when necessary upon approval of the Department Head or designee.

VI. Advance Payments

- A. Upon request of the Department Head or designee, the Auditor may provide advance funds for estimated "out of pocket" expenses up to 100% for meals, and 75% for all other expenses.
- B. A County credit card may not be used for expenses for which the traveler has received an advance.

- A. It is the responsibility of the claimant to understand and follow all policies and procedures herein in order to receive reimbursement for mileage, travel, and expense claims.
