WHEREAS, on February 2, 1863, the Board of Supervisors declared Bass Lake Road to be a public highway; and

WHEREAS, a portion of Bass Lake Road was dedicated to the County in 1994 as part of the adopted El Dorado Hills Specific Plan and encompasses a 120-foot wide right of way, but subsequently, the County determined the ultimate necessary right-of-way to be 100-foot wide along this portion of the road; and

WHEREAS, a 10-foot wide portion of Bass Lake Road fronting the property identified as Serrano Village J5/J6 was vacated in 2016 pursuant to General Vacation #GOV16-0001; and

WHEREAS, the County of El Dorado Board of Supervisors exercises the authority established under Section 8324 of the Streets and Highways Code which empowers the Board of Supervisors to vacate road and public service easements; and

WHEREAS, on or about December 2020, the Transportation Division received a request from Serrano Associates, LLC., a Delaware Limited Liability Company, for the General Vacation of a portion of the existing Bass Lake Road, described as a 10-foot strip of land for roadway purposes only. Right-of-way located south of the intersection between Bass Lake Road and Bridlewood Drive, in the El Dorado Hills area, not affecting utility easements, referenced by Assessor's Parcel Number 123-040-010, and as described in Exhibit A and depicted in Exhibit B, attached hereto; and

WHEREAS, the Transportation Division received written authorization from El Dorado County Sheriff, Department of California Highway Patrol, El Dorado Hills Fire Department, Comcast, El Dorado Irrigation District, AT&T, and Pacific Gas and Electric, indicating they have no objection to the proposed vacation; and

WHEREAS, a meeting was held on January 28, 2021, by the El Dorado Planning Commission pursuant to the requirements of Government Code 65402, the meeting minutes of which were submitted to the Board of Supervisors as part of the agenda item to consider this Resolution, and which reflect that the Planning Commission found the proposed vacation of said road to be consistent with the 2004 El Dorado County General Plan; and

WHEREAS, the El Dorado Planning Commission at the January 28, 2021, meeting also found that the vacation was exempt from the California Environmental Quality Act under CEQA Guideline Section 15305; and

WHEREAS, in accordance with the requirements of Section 8322 of the Streets and Highways Code, the Transportation Division, on behalf of the Clerk of the Board of Supervisors, published notices of said public hearing two (2) weeks prior to said hearing; and

WHEREAS, notices of said hearing were mailed to all affected property owners and interested parties; and

WHEREAS, on March 16, 2021 adopted Res. No. 011-2021 that declared the intent of the Board of Supervisors to convey by deed its interest in the former street property described above to Tri Pointe Homes Holdings, Inc, a Delaware Corporation, that owns the adjacent property. The Board further declared that that the intended disposition of this property to Tri Pointe Homes Holdings, Inc. is exempt from the Surplus Land Act under 54221(f)(1)(E) and 54222.3 of the Government Code because it will be former street property that will be conveyed to an adjacent property owner. Staff provided notice of that declaration to the Department of Housing and Community Development on March 17, 2021; and

NOW, THEREFORE, BE IT RESOLVED, that the County of El Dorado Board of Supervisors, pursuant to Section 8320, et seq. of the Streets and Highways Code, finds that the portion of the roadway described herein is unnecessary for present or prospective public use and, based thereon, declares that from and after the date this Resolution is recorded, said portion of roadway know as a portion of the existing Bass Lake Road, as described in Exhibit A and depicted in Exhibit B, attached hereto, is hereby vacated and no longer constitutes a public roadway; and
