El Dorado County Strategic Plan Update

Goal Two: Good Governance
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.1: Review and update all ordinances and establish mechanisms for timely reviews and updates based on relevance (including internal and external conditions). Add due dates to all slides

Task 2.1.1: Identify stakeholders for all ordinances.

STATUS: COMPLETE
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.1: Review and update all ordinances and establish mechanisms for timely reviews and updates based on relevance (including internal and external conditions).

Task 2.1.2: Establish criteria that require review and revisions to existing ordinances.

STATUS: COMPLETE ✔️
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.1: Review and update all ordinances and establish mechanisms for timely reviews and updates based on relevance (including internal and external conditions).

Task 2.1.3: Request all stakeholders to identify ordinances that need revisions, prioritize those changes and establish timelines for completion.

STATUS: COMPLETE
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.1: Review and update all ordinances and establish mechanisms for timely reviews and updates based on relevance (including internal and external conditions).

Task 2.1.4: Receive and review the stakeholder’s input regarding ordinance changes.

STATUS: Not yet occurred.
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.1: Review and update all ordinances and establish mechanisms for timely reviews and updates based on relevance (including internal and external conditions).

Task 2.1.5: Establish timelines for the next round of ordinance revisions.

STATUS: Not yet occurred
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.1: Review and update all ordinances and establish mechanisms for timely reviews and updates based on relevance (including internal and external conditions).

Task 2.1.7: Upon finalization of each ordinance, include a sunset date or time frame in which the identified stakeholders are responsible for ensuring the ordinance is reviewed for relevance and appropriateness.

STATUS: Not yet applicable.
GOAL 2: Good Governance

*Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.*

**OBJECTIVE 2.2:** Review and update policies related to inter-office services and public services. Establish a mechanism for timely updates, review for relevance to ensure a balance between appropriate level of internal control and efficient work flow.

**Task 2.2.1:** Identify stakeholders and responsible departments for all Board policies.

**STATUS:** COMPLETE
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.2: Review and update policies related to inter-office services and public services. Establish a mechanism for timely updates, review for relevance to ensure a balance between appropriate level of internal control and efficient work flow.

Task 2.2.2: Establish criteria that require review and revisions to existing Board of Supervisor policies.

STATUS: COMPLETE
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.2: Review and update policies related to inter-office services and public services. Establish a mechanism for timely updates, review for relevance to ensure a balance between appropriate level of internal control and efficient work flow.

Task 2.2.2, con’t: Establish criteria that require review and revisions to existing Board of Supervisor policies.

• Is the policy required by Federal, State or local law?
• Is the policy more restrictive than State or local law? General rule is policies shouldn’t be more restrictive.
• Is the policy duplicative?
• What are the benefits of the policy and/or why do we need the policy?
• Does the policy appropriately balance internal control and transparency with expediency?
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.2: Review and update policies related to inter-office services and public services. Establish a mechanism for timely updates, review for relevance to ensure a balance between appropriate level of internal control and efficient work flow.

Task 2.2.3: Request the stakeholders identify policies that need revisions, prioritize those changes and establish timelines for completion.

STATUS: COMPLETE
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.2: Review and update policies related to inter-office services and public services. Establish a mechanism for timely updates, review for relevance to ensure a balance between appropriate level of internal control and efficient work flow.

Task 2.2.4: Receive and review the stakeholder's input regarding policy changes.

STATUS: IN PROGRESS
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.2: Review and update policies related to inter-office services and public services. Establish a mechanism for timely updates, review for relevance to ensure a balance between appropriate level of internal control and efficient work flow.

Task 2.2.5: Conduct a gap analysis to identify whether additional policies are needed, i.e. cell phone texts, social media, public record act requests, telecommuting, employee background checks, use of County facilities by outside and employee groups.

STATUS: IN PROGRESS
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.2: Review and update policies related to inter-office services and public services. Establish a mechanism for timely updates, review for relevance to ensure a balance between appropriate level of internal control and efficient work flow.

Task 2.2.6: Upon finalization of each policy, identify a timeframe in which the identified stakeholders are responsible for ensuring the policy is reviewed for relevance and appropriateness.

STATUS: IN PROGRESS
Objective 2.3
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.3: Identify and implement 'best practices' within central support departments, and develop service level standards of central support departments/divisions/programs for the purpose of continuous service improvement as well as establishing a framework for improved communication and customer engagement.

Task 2.3.1: Request each department head of the following Central Support Departments to identify up to five ‘best practices’ that could be considered for implementation, including the benefit to the County.

- Clerk of the Board
- CAO
- Contracts and Procurement
- Human Resources
- County Counsel
- Information Technology
- Risk Management
- Facilities
- Fleet

STATUS: COMPLETE
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.3: Identify and implement 'best practices' within central support departments, and develop service level standards of central support departments/divisions/programs for the purpose of continuous service improvement as well as establishing a framework for improved communication and customer engagement.

Task 2.3.2: Request each department head of the Central Support Departments to identify the steps needed to implement the best practice, including the fiscal impact and ROI.

STATUS: IN PROGRESS
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.3: Identify and implement 'best practices' within central support departments, and develop service level standards of central support departments/divisions/programs for the purpose of continuous service improvement as well as establishing a framework for improved communication and customer engagement.

Task 2.3.3: Include service level indicators and service levels in the annual budget narratives provided by each Central Support Department.

STATUS: COMPLETE
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.3: Identify and implement 'best practices' within central support departments, and develop service level standards of central support departments/divisions/programs for the purpose of continuous service improvement as well as establishing a framework for improved communication and customer engagement.

Task 2.3.4: Request each department head of the Central Support Departments to develop a service level indicator baseline identifying a minimum of five service level indicators and the service level goal based on existing resources.

STATUS: COMPLETE
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.3: Identify and implement 'best practices' within central support departments, and develop service level standards of central support departments/divisions/programs for the purpose of continuous service improvement as well as establishing a framework for improved communication and customer engagement.

Task 2.3.5: Incorporate the service level indicators baseline into an Internet and/or Intranet website platform in order to increase transparency.

STATUS: COMPLETE

https://www.edcgov.us/Government/CAO/Documents/Service-Level-Indicators.pdf
Objective 2.4
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.4: Develop service level standards for all line/constituent facing departments for the purpose of continuous service improvement as well as establishing a framework for improved communication and customer engagement.

Task 2.4.1: Request each department head of the following line/constituent-facing departments to develop a baseline identifying a minimum of five service level indicators and the service level goal based on existing resources.

- Planning & Building
- Environmental Management
- Transportation
- Health and Human Services
- Probation
- Public Defender
- Recorder Clerk
- Surveyor
- Ag Commissioner
- Assessor
- Child Support
- District Attorney
- Library
- Sheriff
- Treasurer-Tax Collector

STATUS: IN PROGRESS
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.4: Develop service level standards for all line/constituent facing departments for the purpose of continuous service improvement as well as establishing a framework for improved communication and customer engagement.

Task 2.4.2: Include service level indicators and service levels in the annual budget narratives provided by each of the line/constituent-facing departments.

STATUS: SCHEDULED June, 2018
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.4: Develop service level standards for all line/constituent facing departments for the purpose of continuous service improvement as well as establishing a framework for improved communication and customer engagement.

Task 2.4.3: Incorporate the service level dashboards for line/constituent-facing departments into an Internet and/or Intranet website platform in order to increase transparency.

STATUS: SCHEDULED June, 2018
Objective 2.5
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.5: Develop proactive internal and external communications process to effectively inform county employees, members of the public, and the press of County events, processes, decisions, level of service, and reasoning.

Task 2.5.1: Hire a Communications & Outreach Director.

STATUS: COMPLETE

✅
GOAL 2: Good Governance

Achieving the best possible process for making & implementing decisions in accordance with the County’s core values, legal requirements and industry best practices.

OBJECTIVE 2.5: Develop proactive internal and external communications process to effectively inform county employees, members of the public, and the press of County events, processes, decisions, level of service, and reasoning.
