

Measure B

The special tax to fund maintaining, upgrading and improving district roads of the Cosumnes River Community Services District (CRCSD) was set at \$150.00 in 1991. Shall the CRCSD increase this tax by \$150.00 such that the annual tax level is reset to \$300.00 per parcel, to remain at that level unless and until there are further voter approved changes?

Measure C

"South Lake Tahoe Road Improvement Measure. To fix potholes and pave/repair/maintain local roads; improve safety for drivers/pedestrians/bicyclists; provide safe routes to school; and protect the clarity of Lake Tahoe by reducing sediment from roadways, shall an ordinance establishing a one-half percent sales tax be adopted for fifteen years, providing approximately \$2.5 million annually in locally controlled funding for the Roads Management Authority of the City of South Lake Tahoe, requiring an independent citizens' oversight committee and all funds for road improvement only?"
