

ATTENTION

Renters &
Homeowners

The Weatherization Program provides **FREE** energy efficiency measures to income-eligible households at no cost to the residents.

Services May Include

- ◆ Attic Insulation
- ◆ Carbon Monoxide Alarms
- ◆ Water Heater Blankets
- ◆ Heating/Cooling System Repair
- ◆ Energy Efficient Refrigerator
- ◆ Ceiling Fans
- ◆ Weather-Stripping
- ◆ Energy Efficient Lighting
- ◆ Microwave

On an average most households that receive Weatherization Services will reduce heating bills by 35% and may lower overall energy bills by about \$400 a year.
