

Greetings Everyone!

My name is Jeannine and I am the new Registered Dietitian Nutritionist. I started working for El Dorado County Health and Human Services in June 2023. My functions involve working with the Women, Infants, and Children (WIC) Nutrition Program and the Senior Nutrition Program. I feel honored to be part of these two wonderful teams. Although I'm new to this position, I have been a Dietitian for over four years. I have worked in various settings, including clinical, long-term care, community, and public health. When I am not working, I enjoy gardening, cooking, kayaking, fishing, hiking, and spending time with my husband, kids, family, and friends. I am looking forward to meeting you in person soon!

One of my responsibilities with the Senior Nutrition Program will be to review menus that continue to offer nutritious meals. If you have any recommendations, I encourage each one of you to share feedback about meals being served to you. Your opinions are very important to us. We welcome them!

August is already here. Below is a list of local Certified Farmers' Markets that will accept Senior Farmers' Markets vouchers starting this month. Hope you had a chance to pick up your check booklets. Enjoy eating fresh produces!
