El Dorado County to Perform Trail Construction
El Dorado Trail Extension – Missouri Flat Road to Town of El Dorado
June 2019 through January 2020

UPDATE – October 21, 2019

Construction of a new Class I bike path along the El Dorado Trail from Missouri Flat Road to Oriental Street in the Diamond Springs and El Dorado communities continues to progress. Beginning Tuesday, October 22, 2019 through mid-November, the County’s contractor will have intermittent one (1) lane traffic control to grind existing pavement and repaving where the trail crosses the roadway at Blanchard Road and Forni Road. Reversing one-way traffic control will be provided through the work area. Average delays may be between three and five minutes, depending upon on work and safety of the traveling public.

May 23, 2019

(PLACERVILLE, CA) -- El Dorado County’s Department of Transportation will be constructing a new Class I bike path along the El Dorado Trail from Missouri Flat Road to Oriental Street in the Diamond Springs and El Dorado area beginning June 3rd and continuing until November 2019. The project is two miles long, adjacent to the existing railroad tracks. Construction will include drainage system improvements, a paved 8-foot wide multi-use path, and two pedestrian signals at Blanchard Road and Forni Road. During this time, the natural trail from Missouri Flat Road to Oriental Street will be closed.

Motorists are advised to slow down through the work zones at the Blanchard Road and Forni Road railroad crossings, and expect occasional delays during construction.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of this road work.

For questions regarding this construction, please contact the County’s Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
