October 2022 to Early 2023

(PLACERVILLE, CA) – El Dorado County’s Department of Transportation is currently constructing an improved access ramp to the El Dorado Trail on the west side of Missouri Flat Road, approximately 350 feet south of Golden Center Drive. Work began in October 2022 and is scheduled to be completed in early 2023, weather dependent.

During this time, a short segment of the El Dorado Trail immediately west of Missouri Flat Road will be closed. Adjacent segments of the El Dorado Trail further west and on the east side of Missouri Flat Road will remain open for public use. Also be advised that the southbound shoulder of Missouri Flat Road from Golden Center Drive to the El Dorado Trail access point will be closed or have limited space available for parking due to this construction project. Trail users are advised to use the parking area on the east side of Missouri Flat Road for access.

The County sincerely appreciates the cooperation and patience of motorists and trail users, and we apologize for any inconvenience as a result of this work.
