EL DORADO COUNTY OPENS MOSQUITO ROAD AND BRIDGE AFTER COMPLETING REPAIRS IN THE MOSQUITO – SWANSBORO COMMUNITY

September 20, 2017

PLACERVILLE -- El Dorado County's Department of Transportation has completed the annual maintenance on the Mosquito Bridge, as well as the repairs to the roadway just south of the bridge that was damaged during the storms in January and February this year. The repairs completed consisted of drainage, roadway, and retaining wall improvements to repair a failed culvert. The road was opened at 5:00 pm on **Wednesday, September 20, 2017**, ahead of schedule.

Motorists are advised there will be intermittent lane closures with reversing traffic control along Mosquito Road for approximately three (3) weeks to assist with geotechnical operations.

We apologize for any inconvenience as a result of these repairs and appreciate your cooperation and patience as they were completed.

For questions regarding this project, please contact the Transportation main line at (530) 621-5900.
