EL DORADO COUNTY TO PERFORM ROAD WORK WITH FULL ROAD CLOSURES & DETOURS ON STRING CANYON ROAD BEGINNING AT 5:00 PM ON FRIDAY, OCTOBER 13, 2017 THROUGH 5:00 AM ON MONDAY, OCTOBER 16, 2017

September 22, 2017

PLACERVILLE -- El Dorado County's Department of Transportation will be performing road work requiring a full road closure on String Canyon Road beginning Friday, October 13, 2017 at 5:00 pm. The road is scheduled to reopen at 5:00 am on Monday, October 16, 2017. During this period, String Canyon Road will be closed to all traffic between Cosumnes Mine Road and Eagle Hill Road.

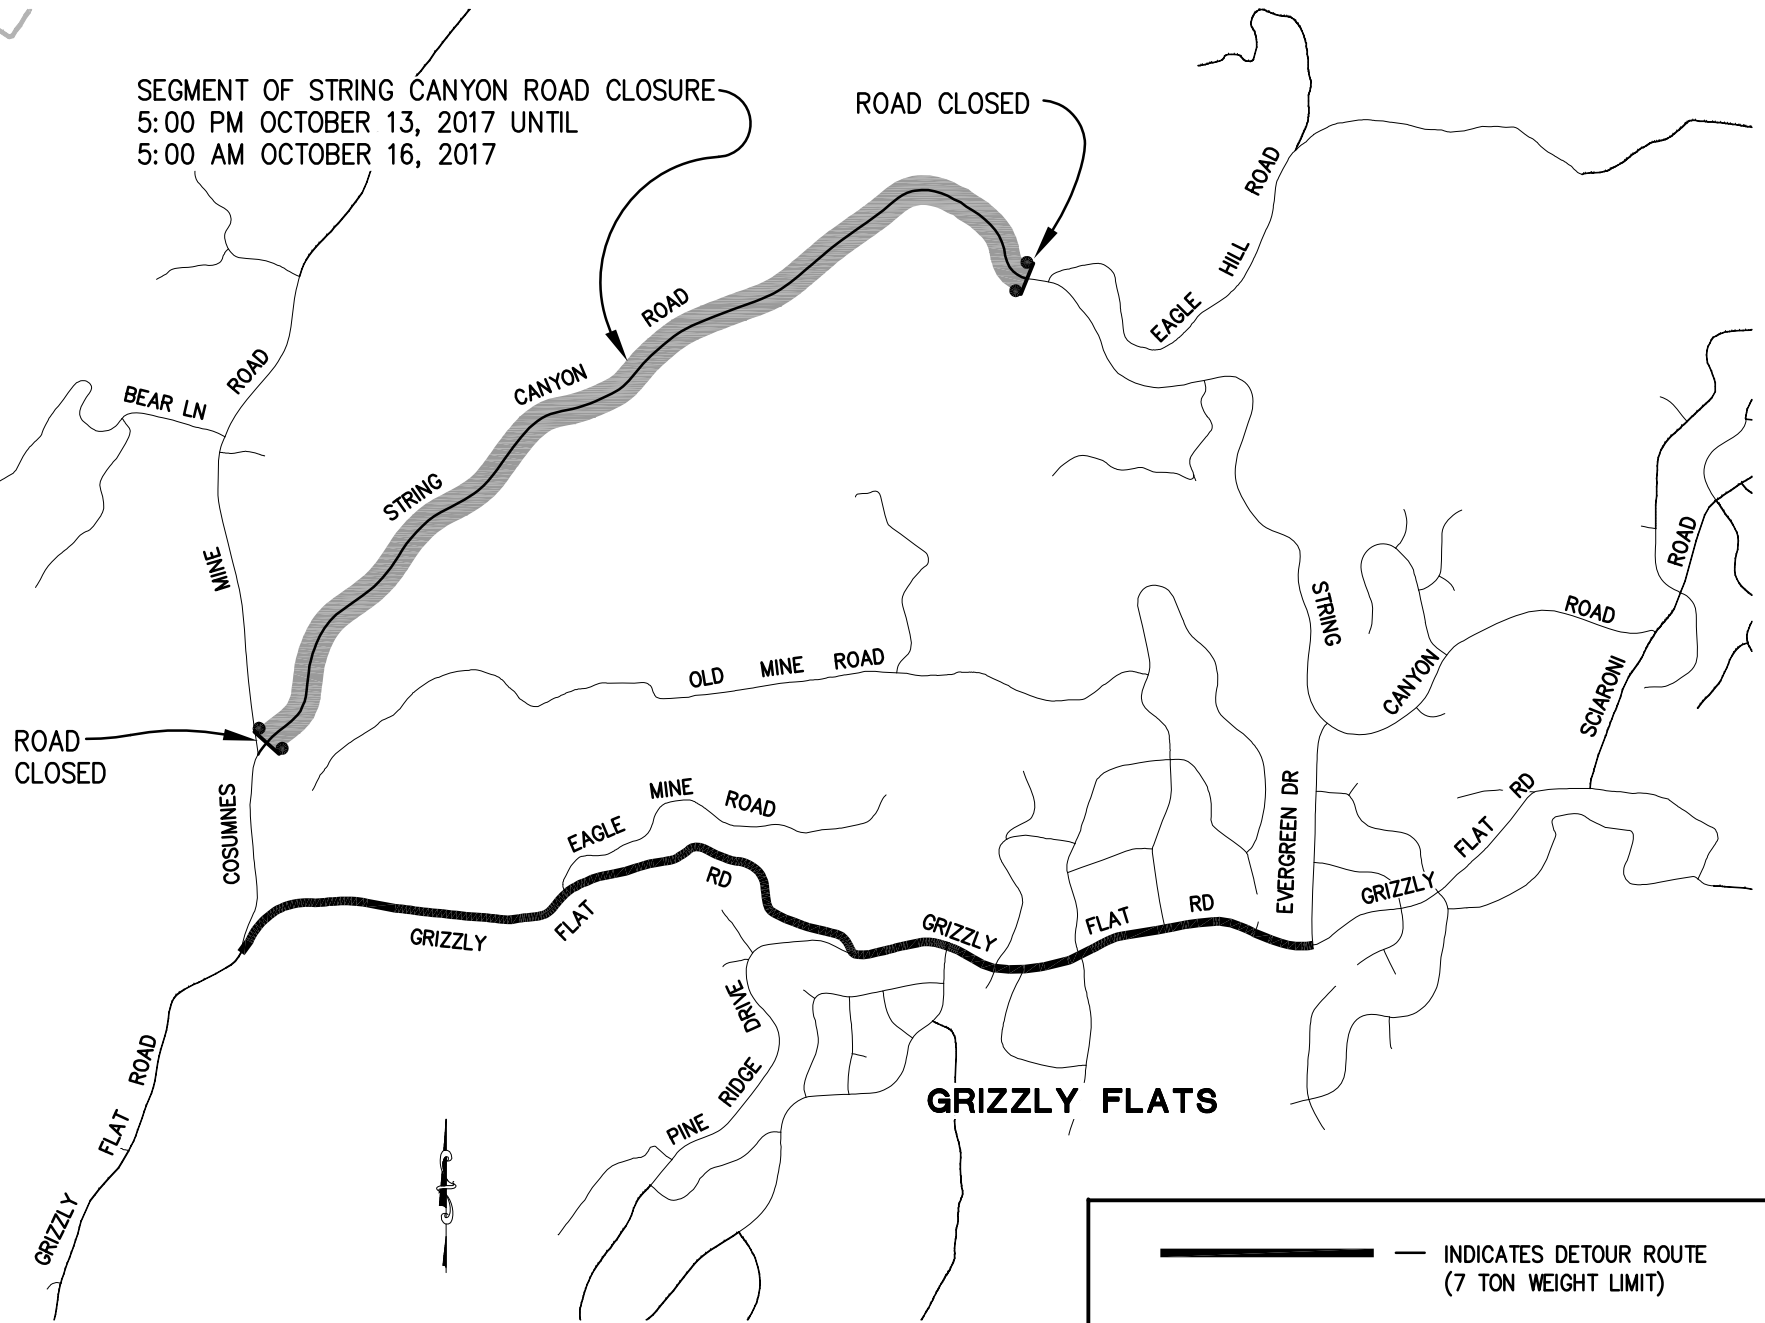

Access for local residents, visitors, emergency personnel and law enforcement will be available via detour on Grizzly Flat Road during the work period. Detour notifications will be posted approximately three (3) weeks in advance of the closure, and will continue through the duration of the closure. This closure is necessary to ensure motorist and worker safety while the County's contractor repairs a section of the roadway and drainage system that was damaged during the storms of January and February earlier this year.

Please note that a 7-ton weight limit exists on Grizzly Flat Road along the detour route. Please make necessary arrangements prior to and following the closure, as vehicles exceeding 7 tons in weight are not permitted along the detour route.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of this closure.

For questions regarding this repair and construction, please contact the County's Transportation main line at (530) 621-5900.
