**NEED ASSISTANCE?**

## Are you a Senior 75+ Needing Assistance Signing Up Online? Call (530) 295-4101 or Visit one of our Libraries

El Dorado County Senior Information and Assistance is offering a service to help seniors aged 75 and over who don't have Internet access or have trouble navigating the online registration for a vaccine. Please exhaust all efforts to contact trusted family members or friends to assist you prior to leaving a message requesting staff assistance. If you do require this assistance please leave a message that contains your age, name, and a contact phone number. A staff member will return your call as soon as possible. Please have your Medical ID Card information on hand and an email address if available.

You can also visit one of these six County Libraries for assistance: Cameron Park Library, El Dorado Hills Library, Pollock Pines Library, South Lake Tahoe Library, Placerville Library and Georgetown Library. *Office days and hours vary by location.*
