

**NOTES:**

Amendments are intended only to reflect minor map errors where property lines did not match land use designations; where existing land uses were not reflected accurately, and where minor GIS data mapping errors have been identified.

The zoning represented in this map series is a compilation of Area Plan Zoning Maps and the 1999 Zoning Map.

This document was compiled from many sources - public and private - the accuracy of which was not verified by the County of El Dorado. The County does not warrant - expressly or implicitly - the accuracy or validity of information contained in this document. Users therefore use this information at their own risk, and are encouraged to verify any information contained or depicted in this document.

Land use data is developed and maintained by the El Dorado County Development Services Department, Planning Division. This map uses a modified version of the parcel base referred to below.
