Pet Aid Fund

Do you want to help an animal in need?

The Pet Aid Fund goes directly toward the care of animals in El Dorado County who are in need, particularly those who have been injured, abandoned, or rescued due to abuse or neglect.

These funds pay for medicines, special food, medical care, and other needs to help the animals at our shelters recover so that they can then be adopted into loving homes.

Pet Aid Donations are generally tax deductible.

For questions about the Pet Aid Fund, or about any of our services, call us at:
(530) 621-5795 in Placerville
(530) 573-7925 in South Lake Tahoe

Donations can be made using the form below.
