RE: Request for transfer of El Dorado County River Use Weekend and Weekday User Days

To the El Dorado County Planning Commission,

It is the intent of Koolriver Adventure Tours Inc., doing business as Whitewater Connection, to sell a portion of Whitewater Connection and associated equipment, and to transfer the South Fork of the American River Use Permit # 25. The permit currently has the following "user day" allocations-

Weekday - 25 Weekday guest - 2 Weekend - 11/25 Weekend guest - 2

Both Companies agree that the River Use Permit holds no value in the sale of the business. The following list is the accompanying assets to be transferred in the sale:

- 25 PFDs
- 25 Paddles
- 4 Rafts
- 4 Tables
- 4 Coolers

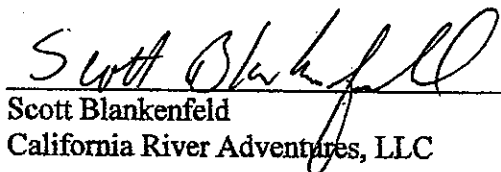

Don Koolmees and Scott Blankenfeld respectfully request that the County Planning Commission approve the transfer of the El Dorado County River Use permit # 25 from KOOLRIVER ADVENTURE TOURS Inc. to California River Adventures, LLC.

Thank you.
