### Permit # 25 user days allocations

11/25	Weekend day maximum
25	Weekday maximum
2	Guest allowance (weekend day)
2	Guest allowance (weekday)
333	Memorial Day-Labor Day weekend allocation

### **I. Permit renewal application – due date March 1, 2010:**

Please submit the following items to Environmental Management:

- \$200.00 fee for a 2010 permit.  
→ Make checks payable to El Dorado County Environmental Management.
- Updated river use plan (provide responses to questions 1-8).
- Signed Environmental Health Division Inspection agreement for the 2010 season.

### **II. Items required for approving your permit in 2010:**

- Current certificate of liability insurance.
- Current Workers Compensation Insurance certificate.
- The business must hold a current El Dorado County business license.
- The permit's 2008 unsecured property tax bill must be paid.
- 2010 Concession Contract from the California Dept. of Parks and Recreation.
- Letter of authorization for all private land parcels used by your company.
- Bureau of Land Management permit for lunch stops or camping on public lands.
- Documentation that guides will have swiftwater rescue training that meets County standards.
- Water flow notice in brochure or booking confirmation package.

Company owners, representatives and employees must comply with the outfitter regulations in the El Dorado County River Management Plan. I certify that all statements and answers are true and complete. I understand any falsification may result in rejection of this application or forfeiture of the permit.
