Re: Beauchamp Project- Pilot Hill

HAND DELIVERED

Dear Jason:

The above-referenced project had been continued to the April 8th Commission meeting. As a result of discussions with staff and the neighbors, Mr. Beauchamp has decided to propose some relatively minor revisions to the project that will address both access and recreation issues. Because we are uncertain how long it will take to accomplish such modifications, we hereby request that the project be continued off-calendar. We understand that only the Commission can take the action as requested. We will notify the neighbors of this request. Thank you.

Very truly yours,

ROBERT A. LAURIE
