RE: Special Use Permit Application

Dear Tom:

The Georgetown Divide Recreation District requests that the 3/24/2011 Public Hearing on our SUP application be continued off-calendar.

During the posted review process, an issue has arisen re: a possible easement that could affect our application. In an effort to make the Commission's review of our project time effective, we want complete review and submission of additional materials if necessary prior to the Planning Commission's review of our application.

Thank you for your assistance in processing our application. Should you have any questions, please contact me at 530.333.9500.

Yours in Community Service,
GEORGETOWN DIVIDE RECREATION DISTRICT
