RE: Planning Commission hearing July 14, 2011 for Special Use Permit S11-0002 AT&T Telecommunication Tower-Rolling Hills Church (cn2693) located at Rolling Hills Christian Church, 800 White Rock Road, El Dorado Hills, CA 95762 APN 117-010-03

Dear Planning Commissioners

This letter is a request from the applicant, for a continuance for the project to be scheduled for a future Planning Commission hearing set on August 25, 2011. This request would provide additional time needed for AT&T Mobility and the property owner to finalize the lease agreement terms and conditions. We appreciate your consideration on this matter.

Sincerely,

Patricia Kelly
