RE: El Dorado Hills South_SBA Telecommunications Facility_APN 120-166-29_S11-0015

Dear Ms. Paolini,

I would like to request the Planning Commission continue our hearing for the above mentioned Special Use Permit from the scheduled August 9th hearing date to the next available hearing in September. SBA is currently working with Community Services District and would prefer to complete the design review process with the local CSD before bringing this item before the Planning Commission. I apologize for the late notice and appreciate your accommodation.

Please contact me with any questions or concerns.

Thank you,

Andrew Lesa
