Public testimony will be received on each agenda item as it is called. The applicant (where applicable) is allocated 10 minutes to speak; individual comments are limited to 3 minutes; and individuals representing a group are allocated 5 minutes. Except with the consent of the Commission, individuals shall be allowed to speak to an item only once. Upon completion of public comment, the matter shall be returned to the Commission for deliberation. Members of the public shall not be entitled to participate in that deliberation, or be present at the podium during such deliberation, except at the invitation of the Commission for a point of clarification or question by the Commission.

Matters not on the agenda may be addressed by the general public during Public Forum/Public Comment at 9:00am. Comments during Public Forum/Public Comment are limited to 3 minutes per person. The Commission reserves the right to waive said rules by a majority vote. Public Forum/Public Comment is for comment only. No action will be taken on these items unless they are scheduled on a future agenda.

Staff materials related to an item on this agenda submitted to the Commission after distribution of the agenda packet are available for inspection during normal business hours in Planning Services located at 2850 Fairlane Court, Placerville, CA. Such documents are also available on the Commission's Current Agenda webpage subject to staff's ability to post the documents before the meeting.

The Planning Commission is concerned that large amounts of written information submitted to the Planning Commission the day of a public hearing might not receive the attention it deserves. To ensure delivery to the Commission prior to the hearing, written information from the public is encouraged to be submitted by Thursday the week prior to the meeting. Planning Services cannot guarantee that any FAX or mail received the day of the Commission meeting will be delivered to the Commission prior to any action.

For purposes of the Brown Act, Section 54954.2(a), the numbered items on this agenda give a brief description of each item to be discussed. Recommendations of the staff, as shown, do not prevent the Commission from taking other action.
